

Climate Chronicle

Thursday, 17 December 2009

The Climate justice newspaper is produced every two days during the Copenhagen climate talks, reporting and decoding what is going on both inside and outside the climate negotiations. Find out what is really going on behind the media headlines.

Printed copies are available in Copenhagen at the KlimaForum and the Bella Center.

Climate Chronicle is a co-publication of Transnational Institute's Carbon Trade Watch, Earthlife Africa and the Institute for Security Studies.
