

Members of Durban Group For Climate Justice on Carbon Trading Speaking Tour in North America

Friday, 11 January 2008

Members of the Durban Group, including Carbon Trade Watch, are traveling in various cities throughout the US and Canada in January, February, and March 2008 to share experiences of the failures of carbon trading in Europe, India, Brazil, Uganda and elsewhere, and to learn more about U.S. carbon trading plans and climate politics.

More information about the tour, including dates and contacts, can be found [here](#).
